Mrs. Unguez: Lead Teacher

What's Been Happening?

November popped with color as we created brown turkeys, spread purple jam, and glued green cars on sky blue paper. We also jumped into shapes enjoying shape bingo during circle time, as well as, creating a shape

family during art. Helping us focus on a global view of gratitude everyone learned how to say thank you in languages from around the world. Formal Japanese was our favorite language as we sang "Canshashimasu" to thank each other. Mrs. Unguez especially enjoyed watching tongues twist as they tried "Wir danken dir". The week before our holiday break we had a Thankful Celebration, eating snacks and reminding each other of what we were most thankful for.

Happy Holidays,
Mrs. Unguez

Snow Kisses

If you go out when it's snowing,
And look up at the sky,
You'll feel lots of icy kisses,
As the snowflakes flutter by.
-Suzie Bitner-

It's December! What Are We Going To Do?

It will be a magical month as our room slowly transforms into a winter wonderland, complete with snowflakes on the ceiling, and snowmen decorating the walls. The holiday season will permeate the air with sugary delights as each child creates his or her gingerbread house with sweet candies and icing.

Letters of the Month:

Ss, Gg
