President's Report

Tonya welcomed everyone and explained that in/out dinner meeting is so the incoming board members can meet the outgoing board members and discuss their board position and ask questions. Introductions were made around the table. The purpose of the booster club is to provide school teams with the opportunity to raise money, promote community support and team spirit. This year we raised money through community support, Buffalo Wild Wings competition, membership dues, PDQ discount cards and spirit sales.

Treasurer's report – see attached Alonso Booster Club budget 2018-19 (Note: merchandise and concession start-up funds will be reimbursed during the year).

The Hudl computer program will need to be renewed for 2018-19 school year. Mrs. Omensetter is discussing with all teams to encourage more involvement and usage of the Hudl program. A proposal was made for the booster club to donate \$1200 to pay a portion of the Hudl program cost and have the teams that use the program split the remaining cost.
