

## RULES FAQ v1.3 (7-14-17)

Q: Can I use a Stratagem to re-roll the Seize the Initiative roll?

A: *No.*

Q: Can I use a Stratagem to re-roll the End of Game roll?

A: *No.*

Q: When disembarking, is it wholly within or simply within?

A: *It is simply within.*

Q: When a unit has enemy models within 1" and fires pistols, does each model fire at the closest target to it, or to the unit?

A: *Each model fires its pistol at the closest target to the model, not the unit.*

Q: Are Stinger Salvos for a Harpy mandatory?

A: *Yes.*

Q: Can Knight Commander Pask issue orders to himself?

A: *No.*

Q: Does the "Strike and Shroud" order allow a tank to shoot when it otherwise would be unable to?

A: *No. It only allows the tank to shoot and use smoke.*

Q: What is the order of operations for a Hive Tyrant passing off wounds to Tyrant Guard?

A: *Ignore the word "hit". Simply make the damage rolls and roll to pass off for each wound from the damage roll.*

Q: Can a unit shoot Overwatch while embarked in a building?

A: *No, unless specifically stated in the unit entry, no model may Overwatch while embarked in a building or other unit of any type.*

Q: If Necron models are lost from Morale, can Reanimation Protocols be used for them?

A: *No, they are not "slain" per the Necron rule.*

Q: Are Flyers measured from the base or the hull?

A: *Base. All models are measured to the base for every aspect of the game unless a datasheet says otherwise.*

Q: Are Flyers measured from the base or the hull?

A: *Base. All models are measured to the base for every aspect of the game unless a datasheet says otherwise.*

Q: Can you use an act of faith on a unit that benefits from acts of faith to move a unit holding the relic.

A: *The Act of Faith is before the movement phase, so it can be used to move the unit. The unit can then move again in the Movement phase.*

## RULES FAQ v1.3 (7-14-17)

Q: If you have a flyer that is surrounded by infantry can it ignore the infantry to pivot using the supersonic rule or does it need to go into hover jet mode to ignore the enemy models around it?

A: *Models with Fly ignore all models during movement and may freely move over them. Pivot is part of the move, so surrounding a Flyer does not stop it from pivoting.*

Q: How does Soulburst interact with moving the Relic more than 9”?

A: *Any ability which allows a model to move within a phase, e.g. Soulburst, will count towards the maximum movement in the phase while carrying the Relic.*
