

Covid-19 Announcement 5/20/2020

The Red Sleigh Inn has been notified by the State of New Hampshire that we can open June 5th, 2020. The State of New Hampshire is allowing us to accept reservations from New England residents, or non-New England visitors who have met the 14 day quarantine requirement. The 14-day quarantine includes only going out for essential items and when outside of the home maintaining social distancing and wearing face masks when within less than 6 feet of another person during this 14 day “quarantine”.

The Red Sleigh Inn will follow all guidelines from the NH governor regarding residency and quarantine requirements from potential guests. In addition, we will not accept reservations from guests who have had recent contact with someone with COVID-19, or anyone who has shown COVID-19 symptoms (including fever, cough, shortness of breath or difficulty breathing, sore throat, new loss of taste or smell) in the two weeks prior to their arrival.

The **state of New Hampshire is requiring** a copy of a NH driver’s license or a signed document from the guest(s) attesting that all the person(s) staying at The Red Sleigh Inn remained at a home for at least 14 days before arriving in New Hampshire, only going out for essential items and when outside of the home maintaining social distancing and wearing face masks when within less than 6 feet of another person during this 14 day “quarantine”.

In addition to our existing high standards of cleanliness will be enhancing our methods of cleaning and sanitation as per the recommendations put forth by the state and CDC. We also are following all appropriate guidelines put forth by the state of New Hampshire for employee and guest safety such as social distancing, wearing masks, and altering our food service norms.

Please note, if you have any of the following symptoms or answer ‘yes’, please help protect us and other guests by staying home. Your deposit on your room will be refunded.

1. Have you been in close contact with a confirmed case of COVID-19?
2. Are you experiencing a cough, shortness of breath or sore throat?
3. Have you had a fever in the last 48 hours?
4. Have you had changes in your sense of taste or smell?

We sincerely thank you for your support, cooperation and continued business. We are excited to be able to reopen and offer our bed & breakfast to our valued guests.

Carly & CJ,
Red Sleigh Inn Owners
