2019 NADCA Chapter 3 Membership Directory

Greetings from NADCA Chapter 3:

An Early Start

The annual NADCA Chapter 3 Membership Directory is underway! We're off to an early start because that means we can get this directory into your hands when you need it — by mid-to-late January 2019.

Why a Yearly Directory

Simply put, because of you and your team. When you buy an ad, your contribution goes directly back to you in the form of educational programs that the Chapter organizes. In addition, your support of the directory allows us to connect you with hundreds of industry professionals and provide resources that give your company a competitive edge.

Something New

The directory has been growing into modern times the last couple years, and we're excited to announce that we'll be making the 2019 PDF version interactive (available at www.nadcachapter3.org). That means you'll be able to search for names and companies with greater ease, as well as click links that'll take you right to the page you want.

Order Your Ad

On the next two pages, you'll find the 2019 order form. Take a look at it, and if you have any questions or comments, please call me. And if you're not the individual responsible for your company's advertising, please forward this along to them.

Thank you for your time and consideration. I look forward to us creating a wonderful resource for our Chapter and your company.

Sincerely,

Bob Worthy and Friends
North American Die Cast Association Chapter 3
