Ladies Classic Fishing Tournament Results

July 29, 2023

The **twenty-first** PSA Ladies Classic is now in the history books. Mother Nature can be a nasty one and the tournament participants met some the worst fishing conditions she had to offer. There were many stories to tell at the 1:00 p.m. weigh-in at the Pentwater Village Marina Pavilion. Donated prizes this year totaled about \$1600 dollars this year, making up for some very bumpy rides.

Big Fish was an 18.55 lb. King Salmon caught by the all-lady team aboard the boat 'Producer' with Captainette Lyn Snider. The pay back was a First Place trophy, a pool cue complete with case, a gift card from the Brown Bear, cash and a bottle of wine to share.

Most Fish category was won with seven fish weighing a total of 63.75 lbs. on Trips to Win. Captainette Stacy Daggett and team collected a trophy, a dart board set, cash, gift certificates and a bottle of wine.

Mystery Weight went to the boat Misfit and a crew calling themselves Charlie's Anglers. Captainette Katie Jorissen and her team caught the fish closest to the pre-selected mystery weight of 4.85 with a 4.0 salmon. The team took home a trophy, gift certificates, cash and a bottle of wine for a much-deserved celebration.

After the first three places were filled, the biggest species winners were:

Big King Salmon – Reel Dancer – crew Juniper Beach Trollers – Captainette Meagan Bannink

Big Lake Trout – Lym Time – (and the only Lake Trout caught) – Captainette Sarah Weber

Big Steelhead Trout – Fish Stix – Captainette Carlee Daughety

Big Coho Salmon – Ryan's Jule – Captainette Julie Whaley

There was a total of 20 boats entered into the contest and thirteen boats weighed in fish. Fishing was very tough for those braving the rough water but there were some nice fish caught for a total contest weight of 441.95 lbs. of fish taken. Each boat that entered received a gift bag containing a gift certificate or two, a bottle of wine (homemade Toymaker wine) and a cash pay back.
