The purpose of this study is to illustrate the Fall Feasts of YHVH for 2016 or the close of 5776. Based on the *Creation Calendar*, the Fall Feasts are synchronized with the celestial signs or eclipses. The Feasts of Trumpets is conjoined with the 1st of September which is the Feast of *Yom Teruah* or the *Feast of Trumpets*, Rosh HaShanah. Subsequently, Yom Kippur falls on 9-11 in 2016.

The 3rd Fall Feasts of YHVH, that of Sukkot falls on the lunar eclipse on September 16, 2016. The lunar eclipse will be a Penumbral type, the solar eclipse will be an Annular type. However, if one uses the *Rabbinical Calendar*, the Fall Feasts are in October, a month later. The only celestial distinction in this sequence is that the yearly *Great Sign of Virgo* occurs on Rosh HaShanah, which is starting on October 3, 2016.
