Application and Contract for Participation in the

2018 MISS St. Petersburg/Pinellas County/Largo COMPETITION

Contestant: _____

Section 1: Introduction

- 1.1. The Miss Largo Scholarship Program, Inc. Organization is a non-profit corporation organized under the laws of the State of Florida. The Miss Largo Scholarship Program, Inc. Organization has operated a program offering scholarship assistance and career opportunities for the young women within the State of Florida. In doing so, The Miss Largo Scholarship Program, Inc. Organization has made substantial investments in, and has developed a valuable identity for, the unique symbols and elements of the Program that have achieved national and even international recognition and approval. These elements include but are not limited to (1) providing educational assistance in the form of scholarships to young adult women who have not yet begun to assume the responsibilities of family life and are interested in career and educational advancement; (2) recognizing and honoring the traits of honesty, good character, talent, poise, intellect, leadership and good judgment in the young women of America who enter the competition (the "Contestants"); and (3) enabling the Contestants to serve as role models for other young women with similar goals and personal characteristics.
- 1.2. The Miss Largo Scholarship Program, Inc. Organization intends to conduct a competition for the title "Miss St. Petersburg/Pinellas County/Largo 2018," to be held in St. Petersburg on November 4, 2017. The competition is a critically important, and the single most visible and widely recognized, element of the Program. The competition is conducted in a fashion that is designed to combine a respect for the traditional and historic foundations of the Program with recognition of the perceived modern tastes and values of the American people.
- 1.3. The winner of the competition shall be designated "Miss St. Petersburg/Pinellas County/Largo 2018," and shall be entitled to that title until her successor is named at the competition in November, 2018. During this period (the "Year of Service"), the duties of Miss St. Petersburg/Pinellas County/Largo 2018 may include travel and participation in personal appearances throughout the State. These activities are designed, scheduled, arranged and supervised by The Miss Largo Scholarship Program, Inc. Organization in order to reflect the values and standards of the Program and to enhance its visibility and maintain its broad public acceptance. The Miss Largo Scholarship Program, Inc. Organization has also developed detailed procedures that govern the activities and conduct of Miss St. Petersburg/Pinellas County/Largo during her Year of Service. These procedures and standards are intended to protect and enhance the substantial public acceptance of the Program among the American people, and to assure that the Program will continue to be able to operate for the benefit of the thousands of young women who will be seeking to participate in the Program in future years.
- 1.4. In seeking to participate in the competition, each Contestant must understand and accept the requirements of the Program, including the rules for the contestants and the guidelines and limitations that will be applicable to her activities during her Year of Service if she is selected

as Miss St. Petersburg/Pinellas County/Largo. In addition, each Contestant must understand and accept that the Miss Largo Scholarship Program, Inc. Organization's approval of the Contestant's participation in the competition and, if selected, service as Miss St. Petersburg/Pinellas County/Largo will be specifically based upon the representations and agreements in this Application and Contract, its attachments and the continued compliance with all of the regulations of the Program. In such regard, I acknowledge that my ability to compete in the competition shall be subject to review at each level of competition that I enter and that the determination of my eligibility to compete in the competition shall not in and of itself be the basis of my eligibility to compete in the Local, State and/or National Finals.

- 1.5. Therefore, by signing this Application and Contract and submitting it to the Miss Largo Scholarship Program, Inc. Organization for approval, the Contestant represents and agrees that (1) all facts and representations contained in this Application and Contract and its attachments are true and accurate; (2) the Contestant agrees to abide by all rules and regulations of the Miss Largo Scholarship Program, Inc. Organization described in this Application and Contract and its attachments, in the period before and during the Year of Service; and (3) the Contestant meets each requirement for eligibility set forth in Section 2 of this Contract; and (4) the Miss Largo Scholarship Program, Inc. Organization shall have the sole discretion to determine whether, in its judgment, the Contestant may continue to participate in the Miss St. Petersburg/Pinellas County/Largo Program, in the event that the Miss Largo Scholarship Program, Inc. Organization determines that any statement or representation by the Contestant is not true and accurate or that any action by the contestant is inconsistent with the rules and regulations of the Program.

I agree that I will not in any way endorse or permit my name or likeness to be used in connection with the endorsement or advertisement of any products or services competitive to the products or services of an advertiser, sponsor or licensee of the Miss Largo Scholarship Program, Inc. How has the world you come from shaped your dreams and aspirations?

I come from a loving, supportive family that has always taught me to work hard for the things I want to achieve. Growing up, my parents always encouraged us to get involved with our local community and help those who were less fortunate than us. They tried to instill good values in us and to always guide us on the right path. I think it is because of these lessons my parents taught me that I want to make a difference in today’s world. I aspire to be a woman of great influence, preferably working in the non-profit sector, where I can apply my talents for the greater good and help to change people’s lives. One person truly can make a difference, and I am on my way to proving that cliché. I also dream to one day have a loving family of my own, with beautiful children in whom I can instill the same core values that my parents gave to me.

Of all the ways you could succeed in your life, why have you chosen to succeed in the Miss America Pageant?

Along with providing the financial assistance for young women to fulfill our educational goals, the Miss America Organization gives us the opportunity to bring national attention to a cause dear to our hearts. If I were to become Miss America, I know that my voice would be heard as a spokesperson for my personal platform, as well as the national platform. Raising awareness of important social and political issues has always been important to me, and Miss America provides the perfect arena for that.

What social issue, other than your platform, will have the greatest impact on your generation and why?

Although I’m not sure I would consider it a social issue, I think technological advancements will have the greatest social impact on my generation. Technology is changing everything – the way we communicate, our lifestyles, access to information – it’s all right at your fingertips! That can be a double-edged sword. I believe we run the risk of losing both interpersonal and language skills due to the ease and speed of communicating electronically. I believe our educators should address this issue immediately, or it may, unfortunately, have the greatest impact on my generation and every generation to follow.

Instructions for Typing the Contestant's Platform Statement

Miss Florida Pageant

This is your opportunity to explain to the judges what your chosen platform is and why it is important for the Miss America Organization to embrace this platform. In addition, it should explain how your platform will further the Miss America Organization "brand" to the public.

It is important that these instructions are followed, even when using the preformatted page included. Any items incorrectly submitted that do not meet the criteria may be submitted to the judges without an opportunity to correct.

1. Open Word in your computer.
2. Start a "new" document.
3. Set margins for 1" on all four sides. The font style may not be any smaller than "10" and no larger than "12" point type using the Times New Roman font style.
4. With the justification set for left, type **"Name:"** in bold. Following the colon (:), hit the space bar twice. Then, type your name.
5. Then, move to the next line and type **"Title:"** in bold. Following the colon (:), hit the space bar twice. Then, type your state title.
6. Double space down. Set your justification to "center". Then type in **bold and underline** the title of your Platform.
7. Double space down. Write what you feel is critical for the judges to know about your platform and why it is necessary for you to have the job of Miss Florida to promote this issue. What you write will be what the judges know about your platform, your role in successfully dealing with this issue, and the role the Miss Florida Organization may play in your plan.
8. This essay **may** include some of the following items (this is not to be meant as an exhaustive list):
 - A clear definition of the platform and the specific issues you wish to address
 - A plan on how you have or will create awareness of the platform
 - The way in which you have or will change attitudes regarding the issue
 - The way in which you have or will change behaviors related to this issue

 - Your media plans
 - Your marketing strategy

Celebrating Cultural Diversity and Inclusiveness

It is imperative that this nation face and embrace its cultural diversity. While many people have talked about this issue, I believe that most of them have only paid lip service to the true necessity of what needs to be addressed related to this issue. There is a false truth in merely accepting and tolerating cultural diversity. I intend to prove that in order to accept and understand people of other cultures; one must be willing to step out of a personal cultural comfort zone and identify the origin of their prejudice. I will specifically focus on three areas: Children, Communities, and Businesses.

The title of Miss America, combined with the national media already looking at the surface of this issue, will allow me to create the national awareness that must exist. Currently, the term "Cultural Diversity" is well known in the halls of institutions of higher learning and, perhaps, even in the public school classroom because of the need for some to be politically correct. But, in order for us to make a true change in attitudes and behaviors of Americans, we must move beyond talk and into action and policy changes.

My plan is to motivate the media and to partner with the National Conference for Community and Justice. This organization has chapters in every major city in the nation and, in many cases, those chapters have community leaders involved who can, with encouragement and challenging, bring this issue out of hiding and into the public light in each of those communities.

Obviously, the media and the NCCJ already exist. However, what is lacking is a lightening rod to draw attention to this issue. This is where the Miss America Organization steps into the lead. What better role is there for Miss America than to be an agent of change in organizing our nation to accept our differences and to create an environment that values each person on individual characteristics rather than on stereotypes or assumptions?

For years, Miss America was seen as a young woman who cut ribbons and appeared in parades. It is time for "Miss America" to step out of the convertible and *lead the parade*. Our country's ethnic make-up is changing rapidly and our citizen's fear of terrorism can explode already existing, but deeply hidden prejudices. I want to be the leader that this nation needs.

This nation needs this issue addressed now and through the already existing NCCJ and its local and state organizations combined with the power of Miss America, we can make a concrete difference now, which will change the direction and the future of our nation.
