Please write an essay (no more than 500 words) on why you deserve to receive a computer. You can use the back of this paper or attach paper as needed.

If you are under 18 years old, you MUST have a parent or guardian sign the bottom of this form to acknowledge your application.

Forestport Chamber of Commerce Community Charitable Fund (FCC-CCF) receives laptop and desktop computers as donations. They are repaired and cleaned of all previous owner's personal information. FCC-CCF cannot guarantee what type of computer you will receive, how old it is, or how long it will take for you to receive one if you are put on a waiting list.

**Parent Acknowledgment**

By signing below:

1. You are giving permission for your child to enter in the computer grant program through FCC-CCF.
2. If your child qualifies to receive a computer and FCC-CCF does not have one available, your child will be put on a waiting list and will receive one in that order.
3. You understand that once your child receives the computer, FCC-CCF has no obligation to repair or work on the computer.
4. You are fully responsible for the computer – including future repairs, buying programs not included or installed, as well as internet fees to be able to access online use.
5. You are responsible for supervising and teaching your child online safety.
6. You are verifying that your income prevents you from buying a computer for your child and you would not be able to obtain one without this program.
