

TECH TUESDAY #5: GOOGLE EXTENSIONS & APPS

Looking for ways to incorporate extensions and applications in your every day work? Join Scott Woodley for a session specifically geared toward gaining a firm understanding of google apps and extensions. You will have time to create projects to be used in your classroom and have immediate impact on student learning!

Tuesday, July 17, 2018

8:30—11:30 AM

\$50 Registration Fee & 3 PDCs
