

K-9 Capers Dog Training Academy

Course outline.

Our Academy offers the following curriculum for the optimum dog.
We offer group classes, private and day school.

Group Classes: Benefits are socialization, cost efficient and special time with your dog. These classes require you to work at home as well as class.

Group classes can take up a lot of time. We train you- to train your dog

Private Tutor: Best for dogs that are not keen on socializing with dogs, people or both. Also best for those who want to book around their schedule.

Day School : Great option for the busy professional. Drop off on our training days and pick up on your way home. We train your dog and transfer the commands to you.

Boarding School: Stay with us, play and learn. Great for vacation plans.

on-line: For a per hour consult fee we guide you through recommended books and DVD's to solve a particular issue or address training questions.
