

Trojans vs Cancer

2015 Recipient Robyn Paliotta

Robyn is one of Jenks's Curriculum Resource Instructors. She is responsible for the mathematics curriculum for grades 9-12 (HS and FA) as well as Alternative Center. Her responsibilities includes, assessment testing pre/post EOI, textbook adoption, collaboration, vertical and horizontal alignment of mathematics curriculum. He is National Board Certified, Jenks High School Teacher of the Year, (2004), Teacher of the Month (2003, 1998) and a Jenks Vision of Excellence Award (20014). She is currently fighting the hardest battle of all, Lung Cancer. As a Trojan family, let's help support Robyn win this fight.

We fight, because she fights!
