AGM 12.3.2017

At the AGM we would like our members to consider the following matters for discussion:

- 1) **Yearly Membership fees** to increase by \$ 5.00 per person and \$ 10.00 per couple.
- 2) **Property improvements:** In order to make Gidgi more attractive for all members what improvements are on your wishlist? Please come forward with exciting ideas!

Who is interested in a Vita Parcours, the first on Australian soil?

New parking area for 50 cars. On the right hand side coming towards our shelter there is a rough paddock with next to no growth. In this area a parking space could be generated easily hiring a bobcat.

- 3) **Advertising** from local businesses in our Newsletters. Years ago our Club News contained ads from local Swiss companies. Would you agree to re-introduce advertising in our future Newsletters?

4) **New attractive events.**

In addition or substitution of what we are currently organising we would like to hear your great ideas about new events.

How about a weekend bus trip to Margaret River, meeting the Swiss Club Down South for a farmer BBQ and explore the area?

How about a weekend to visit Albany and see the Vintage Race on Sunday?

.....and also at the AGM

you will also receive your new mug with your membership number. Kids are also recipients!

The individual numbers of the mugs will allow the Club to draw prizes during this celebration year. We plan to do this with every newsletter.

At the AGM we are going to have a test run. So please join us, you might be marching home with a set of Kuhn Rikon knives or another lovely prize.

Trust, you have all booked your attendance.!
