FROM THE DESK OF THE PRESIDENT

Happy new year! What, that sounds a bit strange, doesn't it? But July 1 signals our Club's "new year." I am excited that I will be serving you as your president for the next 2 years. It seems quite appropriate that with our "new" Board now in place, that our beautiful Woodward House is looking "new" and sparkles even brighter these days. Thanks to your generosity to the Restoration Fund and the sweat equity offered by some of our members (including Ferne Burney, Leslie Doyle and Helen Henderson) who polished, cleaned, and dusted places that have not seen a dust or polishing cloth in years! We can't wait to welcome all of you back into the Club.

Welcome back – that brings us to the biggest challenge facing us – how to keep all of us safe in this pandemic. The Board decided not to hold our monthly General Meetings in April, May, and June. We did not have a June Summer Luncheon and will not have one in July. With the staggering increase in COVID-19 cases at the end of June, we are looking at how we can do safely an August Summer Luncheon. Our new Vice-President Virginia Van Cleave has scheduled an appropriate program for the August luncheon as the great State of Texas will observe the centennial of the women's right to vote amendment passage in 1920. Watch your emails for more information as we get closer to August.

New beginnings also mean a new House Supervisor for us. We are excited to announce that Tina Zimmerman will begin August 3 as our new House Supervisor. You may have already met her since she is also the caterer for our Club luncheons. Look inside for more about her role in the Club now wearing "two hats" and how her varied experiences will enrich our Club.

One of the few "normal" items of business remains that your dues are now due by July 31 to avoid any late fees. Now more than ever, we need you to "show us your shoes" – that is, pay your dues and let us know you are going to stand by your Club at perhaps one of the most difficult times ever in our history. I miss seeing all of you. Take care and be safe.

HOUSE RESTORATION – 1717 SAN PEDRO AVENUE

Helen Henderson, 2018-2020 House Chairman thanks all who contributed to the 2020 People, Purpose, and Possibilities campaign. Our goal of \$50,000 of gift matching funds was met and exceeded and we are finishing up the projects made possible with restoration funds. The commemorative plaque for all who contributed by the end of our fiscal year (June 30th) is being engraved. Helen was quick to note appreciation of all those who have given not only funds but "sweat equity" to the maintenance and beautification of our clubhouse.

June 9th was wood restoration day. Work was not limited to the that one day. Many hours, many days, many hands have worked at the Woodward House during the summer. Join Helen in thanking the following volunteers:

Sandra Bradley
Ferne Burney
Johanna Christiansen
Sophia Christiansen
(Ingenuer Member)
Emily Crighton

Leslie Doyle
Susan Gargotta
Helen Henderson
Annette Ivy
Helen Jones
Jeanne Koplan

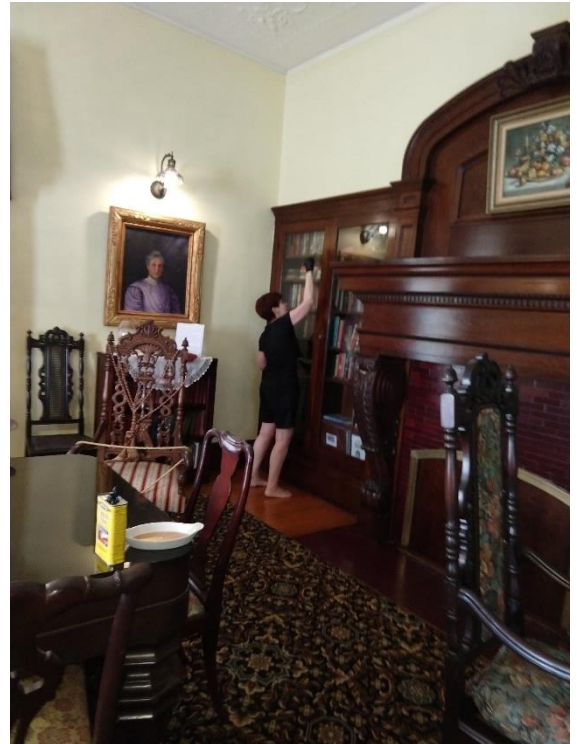

Diane Lewallen
Sandra Ojeda Medina
Cyndi Munch
Patte Pfeiffer

Diane Lewallen on day four of her work applying tung oil to the wood!

Social distancing was observed but friendly voices can carry far enough to make the work fun.

Members pitched in and applied tung oil to the trim, paneling and built ins all day! The wood was thirsty and loved the pampering.

In the photo above, Ferne Burney is reaching high to finish the bookcases around the fireplace.

In the photo to the left, Jeanne Koplan, Annette Ivy, and Sandra Ojeda Medina are giving a much needed coat of tung oil to the railings and paneling on the grand staircase.

The house benefitted from the many, many hours of volunteer effort; and, over \$100,000 in 2020FY donations, including the matching funds, to enable the many repairs and upgrades accomplished professionally.

A few items of work remain to be completed in the funded 2020 house repairs list but the House Restoration team can't wait for all members to have the opportunity to see the restored, reorganized and shined Woodward Mansion. The repaving of the parking lot may be a 2021 project with additional fundraising needed.

~ INTRODUCING ~

The Woman's Club is pleased to announce the hiring of a new House Supervisor. Our caterer, Tina Zimmerman, applied for the position and demonstrated she is a multi-tasker with much organizational experience. Tina is also able to accept a flexible, shorter schedule during our mandated curtailments of group events for COVID-19 concerns. Tina will begin her new responsibilities the first week in August and in July board members will continue to handle the office duties and responsibilities.

2020 FIESTA TEEN QUEEN CORONATION

Our national pandemic has necessitated more changes to this important event. So much work and exciting programming is going into the Fiesta Teen Queen Coronation that is planned for Sunday, August 2nd. Forty-four young people signed up for the Coronation. The Board is working on a special celebration for our Court with family and safety. Watch for more information.

We have two fun things to share about our long participation in the San Antonio Fiesta events. First, the Woman's Club has been given a Fiesta Medal display case with our Club medals dating to 1991. The display also includes two commemorative pins sponsored by the Club. This special gift of Sandra Bradley is on display in the Celebrity Room where all can share the memories. The gift has space for another fifteen years of medal memories so we can look forward to filling in more of this special display each year. And second, it was just announced that Ferne Burney has been selected to serve on the 2021 Fiesta Commission! (more on this later)

Did you remember our 2020 Fiesta Medal is for sale at the club? The party was postponed in April but we still have our tradition to celebrate. Our own 2020 Fiesta Medal is a great way to send cheers to a friend, decorate a gift wrap, say thanks for a favor, or add to your Fiesta door wreath.

Your purchase of this one of a kind gift will also support your Club with fixed expenses at a time when regular event revenues have been curtailed. Medals are \$12 and may be picked up at the club.

The 2021 Fiesta Medal Design Contest has been delayed. Just as nothing is "normal" right now, the Board is re-working the guidelines for the 2021 Fiesta Medal Contest. Normally we would be asking you to submit your creative design ideas by the end of July, but we instead are asking for your patience until the new form is in place for all to use. We appreciate your understanding.

The Brick Walkway

Have you taken a walk down the front steps of the mansion and over to the fountain? There by the small arbor is a bench where you can sit and relax and read the bricks where tributes have been etched by/for our members. You too may have a memory – or would enjoy a way to be a part of the restful place by the house. To buy a brick, print what you would like etched (include any upper/lower case and punctuation distinction) on your request for a brick, and mail it with your check for \$60 payable to the Woman's Club – 1717 San Pedro Avenue, SA, TX 78212. See attached form for Buy a Brick.
