

ANCHORAGE HOMEOWNERS' ASSOCIATION
NEIGHBORHOOD WATCH

Anchorage Homeowners' Association re-instituted their Neighborhood Watch Committee back in May of this year. Committee members are: Barb Kanehl, Chair; Shirley Shanahan, Co-Chair and Tina Dann, Communications Leader. Roy Feuerbacker also assists on this committee when the need arises.

The best crime prevention device is a good neighborhood. And that's what Neighborhood Watch is all about, "neighbors looking out for the welfare of their neighbors". The purpose of this free program is to disseminate as much information possible from the Sheriff's Office to our residents regarding safety. Conversely, this includes, but is not limited to identifying and reporting suspicious activity in our neighborhood to the Pinellas County Sheriff's Office. We are the "eyes and ears" of our community and who knows better than our residents when it comes to suspicious/criminal activity occurring in our neighborhood. Once the Sheriff has been notified of such activity, please contact Barb Kanehl at 754-4042 so she can disseminate this information via News Letter, Board Meetings or on our website.

*The Sheriff's motto is: "If you see something, say something". The Sheriff's Office website offers a great deal of information available to the public. Their website is: www.pcsoweb.com. If you have an emergency, call **911**. If it's a non-emergency, call **727-582-6200**. If you are unsure if your situation is a true emergency, call the non-emergency number and let the call taker determine if you need emergency assistance.*

The committee will be scheduling meetings throughout the year that will include other first responders, i.e. East Lake Fire Rescue (727-784-8668) who can provide life-saving information with the regard to fire, CPR, etc.

Our committee will continue to strive to promote a mutual understanding and cooperation between our residents and the Sheriff's Office.
