

# ***Washington State Dahlia Society May Meeting***

At this month's meeting we will be discussing the importance of Topping and Disbudding! It took me a couple of years before I even was brave enough to do this, but after I saw the results and how much better my dahlias were, I regretted waiting so long! Marilyn will be giving a demonstration of how to do this and the benefits of it!

Fircrest Community Center  
7 PM Monday, May 21, 2018

The second half of the meeting we will be having our Plant Auction!!!!!! There are going to be some VERY VERY exciting and highly in demand cuttings up for auction.

Here is just a little tease——

Bloomquist Bethany, Bloomquist Jean,  
Bloomquist Mary, Bloomquist Mike,  
Clearview Cameron, and Tahoma Sure Thing  
to name just a few. Hope to see all of you there,  
and be sure to bring your check books, HA HA HA!

***Clint Smith is bringing the goodies for  
Monday's meeting! Thank you very much  
Clint.***
