

Recycling List

Drop off at the MONTVILLE TRANSFER STATION during regular hours or UNITY AREA REG'L RECYCLING CTR. UARRC
Hours: Tuesday-Friday 9 AM-4 PM Saturday 8 AM-1 PM

Please place similar items together. Use a shopping bag, a box, or other container you intend to recycle to save time and resources. All electronics, batteries, and florescent bulbs are accepted.

☆ Items must be clean and dry. No traces of food, wetness, or original content ☆

Paper

- **Corrugated Cardboard:** boxes, brown paper bags, bulk feed bags (no plastic liners).
- **Non-Corrugated Paperboard (Mixed Paper):** junk mail, magazines, catalogs, phone books, calendars, greeting cards, colored paper, cereal boxes, shredded paper. *Please put shredded paper in a bag or box.*
- **Newspaper:** newspaper only. No magazines, phonebooks, catalogs. The coupon and circular sections may remain with the newspaper.
- **White Office Paper:** office-quality white paper only. No colored paper. White envelopes with no plastic windows may be included. *If in doubt,* sort paper with the non-corrugated paperboard.

Plastics

- **#2 Natural plastics:** typical milk jugs, rubbing alcohol, gallon vinegar bottles, windshield washer fluid
- **#2 Colored plastics:** laundry detergent, white milk jugs, hydrogen peroxide, fabric softener
- **#1, 3-7 Plastics:** all lids, all tub-style containers (i.e., yogurt/sour cream), clamshell containers, pill/vitamin bottles, plastic straws/cups/eating ware, egg crates and other miscellaneous plastics
- **Mixed Rigid Plastics:** hard plastics such as kids' playsets, snow sleds, toys, buckets, totes, flower pots and planters, Tupperware containers and lawn furniture. Please bring Mixed Rigid Plastics directly to the Center.
- **#2 and #4 films:** #2 films are almost exclusively shopping bags; few exceptions apply. #4 films are items such as bubble/stretch wrap, ziplocks, ice melt/rock salt bags, wood pellet bags. **No:** candy wrappers, potato chip/pretzel bags, woven plastics such as tarps/plastic animal feed bags. It must stretch before it tears, with some exceptions. Please bring films directly to the Recycling Center.
- **No Styrofoam, PVC, vinyl, canvas/textiles, or automotive fluid containers.** Regardless of any recycling symbol, these items cannot be accepted. However, clean and re-usable foam packing nuts *can* be accepted. For more information go to: www.uarrc.org

Glass

- **Clear and colored glass:** sort clear glass from all other colors. Lids may be recycled with the appropriate material (metal or plastic). **No** window glass, mirrors, drinking glassware, cookware, ceramic mugs/plates, picture frame glass panes.

Metals

- **Steel/tin:** soup cans, dog/cat food cans, metal lids, mason lids, vegetable cans, etc. Aerosol cans and propane cylinders must have at least 2 holes, all pressure and contents removed. Please be safe in doing so. Flammable vapor under pressure.
- **Aluminum:** aluminum baking sheets/pans, aluminum lids, aluminum foils, some cat food cans.
- **TIP:** Use a magnet to determine which metal you have. If it sticks to the magnet, it is steel/tin.
