GOD'S BLESSINGS

"I want to mention how blessed Amanda (name changed) was by being here. Blessed on her birthday with a party three days after placement, including a dinner and dessert of her preference (prepared by a volunteer). Blessed at Christmas by the Ranch family and friends. Blessed by all of us that participated at her baby shower. Even my family blessed her with gifts for her birthday and Christmas. I know it isn't about

gifts all the time, but for someone that was only here a little over two months, we showed lots of love. " -- Jenny and John Manchester, Parent Models

CHUCK WAGON DINNER

Photos show families arriving for the Ranch community dinner.

Above -- from the Appaloosa home, John pulls the wagon with their two toddlers riding.

Below – the El Caballo Ranch family arrive.

Look at that sunshine. A desert winter storm of sun beams pour down in mystical fashion — like a special glory of the Lord's very Presence!

Jesus, You are welcome here.
