New Business:

Square card reader information was presented and it was decided that we would need to talk to Brock when he returns before approving. Lisa suggested that we check with the athletic boosters to see what they use.

Band festival at Woodhaven would be on March 10th from 9:00 to approximately 1:30. Lesley will send out for volunteers to pull the trailer.

Java and Jazz will be on March 23rd from 6-8. Students will need to bring a dessert. Boosters supply the java and necessary supplies.

Jazz Clinic will be on March 27th and 3 volunteers will be needed to help serve lunch.

Old uniforms – we will continue to sell them at the upcoming Java and Jazz night. Lisa suggested that we just sell the jacket for making pillows.

Uniforms – 110 pieces are back from the cleaners. 160-170 pieces we are still waiting on. Discussed having the cabinets assigned by grade.

New Chairs or Co-chairs – Spectacular concession co-chair is tentatively Lisa Tilly. Lisa King Taylor is the shadow for volunteer coordinator. Anne Smith and Shannon Edwards are Chairs for the Fall banquet. Lisa Darville volunteered to help with the Spring Goodies Factory (popcorn fundraiser), but has a senior and will be unable to do the Fall fundraiser.

Blankets – Plan to have them available at all events for sale. Now the cost is \$50.00

Scrip – Diane will be accepting the delivery and handing out the scrip orders while Jennifer is out of town the first week of April.

Fundraising Coordinator:

The Leo's Coney Island fundraiser resulted in a profit of \$350.00. The next restaurant fundraiser will be March 21st at Buffalo Wild Wings, starting a lunch. This also includes carry out orders. A flyer will be distributed and will need to be presented at the restaurant for credit. The chocolate bar fundraiser will have a customized box. There is no bonus this time for selling, other than the profit per box.

Volunteers are needed to pull the trailer for the band festival, Java and Jazz, and the Jazz Clinic. See postings from Lesley.
