

## Architects West

### **Project Architect**

Architects West is an award-winning regional Architecture firm, perfectly located within viewing distance of Lake Coeur d'Alene, specializing in K-12 and higher education, civic, commercial, tribal, and religious facilities. Our multi-disciplinary team of Architects and Landscape Architects have built an extensive and impressive portfolio of projects within the Pacific Northwest and have successfully completed numerous projects for select clients throughout the United States. Architects West's commitment to the principles of stewardship, community, and pursuit of excellence serve as the foundation for more than four decades of professional service and countless repeat and long-time clients.

The picturesque Spokane/Coeur d'Alene region has something for everyone including seventy-six lakes and rivers, two nearby mountain ranges for year-round activities, and an energetic arts, music, and dining scene. In addition to the beauty and amenities of our region, the Inland Northwest offers a lower cost of living than most surrounding metropolitan areas, allowing you to take advantage of community-oriented, family friendly events and happenings, and making it the ideal location to live, work and play.

Architects West is looking for a talented and energetic Project Architect with a passion for design and thorough understanding of the entire construction process including materials, construction methods and codes. The ideal candidate will have a Bachelor's Degree in Architecture or equivalent; 5-10 years' experience in all phases of architectural practice; and an architectural license. Strong technical, organizational and communication skills; in addition to a comprehensive knowledge of AutoCAD, Revit and Microsoft programs is required.

Perks of the job are too numerous to mention, but did we mention that we are an Employee-Owned company and that we have a full benefits package including health/dental/vision and 401K plan?

If you're interested in joining the collaborative, hardworking, fun-loving Architects West team, please visit our Employment Page at <http://www.architectswest.com/employment/> for more information.
