For a gift of Stock or Mutual Funds, Please Note the Following:

Have you held the stocks for more than 12 months?

If so, and if the stocks have appreciated in value since you purchased them, please transfer the shares to the Parish without selling them first. (*You will donate the shares, take a charitable deduction at their gift-date value, and pay no capital gains tax.*) If the stocks have decreased in value, see below.

Is the stock held in a brokerage account? If so,

Contact your broker and tell him/her you wish to transfer the stocks to the Parish's brokerage account. (He/she will probably send you a form to complete and sign.)

Provide the following information:

Financial Institution name: Raymond James & Associates, Inc.
Contact Name: Mr. Clifton Ladd
Address: 6501 Phoenix Avenue
Fort Smith, AR 72903
Telephone: (479) 494-3880
Email: Clifton.ladd@raymondjames.com
Brokerage Account Title: Christ the King Church
2112 South Greenwood Avenue
Fort Smith, AR 72901-6246

Call Bob Geurtz, Parish Manager, at (479) 783-7745.

A letter will be provided to you for tax purposes in January of each year.

Do you yourself hold the stock certificate(s)?

On the back of the certificate(s), on the blank line after the words *constitute and appoint*, write Christ the King Church, then sign and date the certificate(s). Include a short letter to the Parish and indicate that you "relinquish rights to the (stock name) in favor of Christ the King Church.

Are the shares worth less than you paid for them?

Sell the shares and donate the proceeds to the Parish. Take the loss as a tax deduction, and use the gift of the proceeds as a tax-deductible charitable contribution.

Are you contributing shares of a mutual fund?

Call Clifton Ladd first, at (479) 494-3880. He will indicate whether the mutual fund shares can be transferred directly. (*Only a few cannot, but please check first.*) If shares are transferable, continue as indicated above for gifts of stock. If shares are not transferable, contact Bob Geurtz, Parish Manager, (479) 783-7745 to discuss options.

Please contact Bob Geurtz and let him know how many shares of what stock are being transferred and for what purpose such as school annual appeal, Church general fund. etc. as the brokerage firm does not always let us know who donated what and for what purpose.
