- Provided an annual ice cream social.  
Provided refreshments at meetings.

As we move forward into 2023, the HBPOA membership has made a couple of things clear to me. First: safety, safety, safety. We need to keep Hernando Beach a safe place to live, work and participate in recreational activities. Second: support our local community and businesses. They are members of the HBPOA too! Let's get a seat at the table to ensure community concerns are heard and understood. There are many avenues available to the HBPOA membership in our community to work with HB residents, HB businesses and County Officials to enlighten and become enlightened. By working together, we become, and are, a powerful voice advocating for residents of our beautiful coastal community. I am looking forward to working with the members of the HBPOA, business community on the beach and our partner associations that all help make the beach what it is – a great place to live.

Respectfully, Bill Roberts

## HELLO HERNANDO BEACH HAPPY NEW YEAR 2023

By: Judith Hughes

Here we are approaching 2023 and we each have hopes and dreams for the future. We think of those

hopes and dreams as our "New Year Resolutions." Some of our resolutions will come to fruition and some will fall off before the end of January.....We wish all of you the best 2023 has to offer!

Your Hospitality and Membership teams worked hard during November and December to provide HBPOA members with a successful Holiday party at Brian's Place on December 6th. There were seventy seven in attendance to celebrate the season and we thank you. Brian and his staff did an outstanding job and we were happy to support his "Beach Business".

Mr. Stan Prinston was present to entertain us with his very melodic voice. For those who are unaware, Stan has traveled the world and he actually is part of "the Flamingos" a doo-wop group from the 50's. The Flamingos have since been hailed as one of the finest and most influential vocal groups in pop and doo wop music history.

The members of the two mentioned committees gathered door prizes from many local businesses and presented them to the ticketed attendees at the dinner. On each table there was a list of the businesses who generously contributed to our event. We hope you support your local Hernando Beach merchants.

## Chase N Tails Fishing Charters

Capt. Josh Fritz 352-345-9304 Hernando Beach FL

### DECEMBER FISHING REPORT

December 31 is the end of gag grouper season so get out there and catch your limit. The gag bite is fantastic in depths from 6-40 feet of water. Live pinfish or frozen threadfins are the bait of choice for my charters. Lures also work very well. My go-to lure is made by Rapala, it's called FMAG. Troll these plugs close to the structures or cast the plugs and retrieve them quickly. Spanish mackerel are holding a little deeper in the same depths along with mangrove snappers. Hogfish can be targeted at 25 to 50 feet of depth.

– Captain Josh Fritz

Capt. Joshua Fritz is a Native Floridian fishing the local waters of the Gulf Of Mexico, Capt. Josh is a 25 ton licensed and fully insured guide. Capt. Josh knows these waters inside and out with over 25 years of boating knowledge. Capt. Josh is very well know in the fishing world and is professional and friendly, come aboard with Capt. Josh and lets catch some fish.

**UNVEILING OF THE MERMAID TALE  
TRAIL ON JANUARY 12, 2023**

By Meaghan Goepferich • Posted on December 1, 2022

Florida's Adventure Coast Visitors Bureau is thrilled to announce the unveiling of The Mermaid Tale Trail, created in conjunction with the Hernando County Fine Arts Council, Brooksville Main Street, and dozens of artists from the area.

This legacy project coincides with the 75<sup>th</sup> anniversary of Weeki

Wachee Springs State Park – Home of the World-Famous Mermaids. In honor of the Park's anniversary, 27 mermaid statues will be placed throughout the entire county, creating a trail of public art in the form of mermaids.

The original statue was hand sculpted, and her face cast from an actual Weeki Wachee Mermaid. Each statue was then hand-painted by a juried artist, creating a one-of-a-kind work of art that will be included on a trail throughout Florida's Adventure Coast, Brooksville-Weeki Wachee.

Festivities will begin at 10 AM, January 12, 2023, with remarks by Park and County officials, along with the unveiling of the mermaid statues, and a dedication plaque recognizing the Adagio statue and Park as National Historic Landmarks. 92-year-old, Dianne Wyatt McDonald, one of the first mermaids who performed on opening day in 1947 and

co-creator of the Adagio pose, will be present for the dedication. Afterward, there will be opportunities to meet and greet the artists for The Mermaid Tale Trail.

"We're delighted to unveil our newest trail of public art while celebrating the 75<sup>th</sup> Anniversary of Weeki Wachee Springs, one of Florida's original and most iconic attractions, and the inspiration for The Mermaid Tale Trail. The historic mermaids have been the muse of many artists over the decades, today we honor that inspiration by unveiling the first of the statues that will form a trail of Mermaids leading visitors throughout Florida's Adventure Coast," said Tammy Heon, Manager of Tourism for Florida's Adventures Coast Visitors Bureau.

## FISH OF THE MONTH RED DRUM (REDFISH)

### Appearance

Also known as redfish.

- Body is copper-bronze, fading to a lighter belly
- One or more dark, ocellated spots at base of tail (occasionally without spot)
- Lack barbels on lower jaw
- Large scales
- Powerful pharyngeal teeth used to crush oysters and other shellfish

**Similar Species:** Black drum, *P. cromis* (has chin barbels and lacks spot on tail)

**Size:** Up to 61 inches

### Habitat

Coastal waters. In winter, redfish are found in seagrass, over muddy or sand bottoms, or near oyster bars or spring fed creeks.

### Behavior

Juvenile redfish are an inshore species until they

reach roughly 30 inches (4 years). They then migrate to the nearshore population.

Prodigious spawners that produce tens of millions of eggs. Spawning season is from about August through December, in passes, inlets and lagoon estuaries around the state. During spawning season, redfish use special muscles rubbing against their air bladder to produce a "drumming" sound for which they are named.

Feed on fishes and invertebrates.

### Additional Information

**State Record:** 52 lb 5 oz, caught near Cocoa (1996)

**Fishing Tips and Facts:** One of Florida's most popular sport fish and the state's most widespread estuarine fish. Floating a live shrimp under a popping cork is a good way to fish for redfish. They also chase crabs, mullet, pinfish and killifish (mud minnows). Casting soft-bodied jigs, spoons and even top-water plugs will catch the attention of these powerful estuarine musicians. Redfish make great table fare.
