Zonta Club of Essex County Scholarship Awards

The Zonta Club of Essex County is offering several scholarship awards of varying amounts to female high school graduating seniors and other eligible candidates who plan to attend a college or university. Acceptance at a college or university is required in order to be awarded the scholarship.

Applicants should have no less than a 3.0 grade point average, be involved in community activities, submit two letters of recommendation and be available to attend a scholarship awards celebration, tentatively scheduled for April, 2020, exact date TBD. Complete details to follow.

Our target date for completed application packages is Tuesday, March 31, 2020. Please include, with student's application, high school and or college transcripts, whichever appropriate, class rank and GPA.

You may also access the annual Zonta scholarship application from our web page at: www.zontaclubofessexcounty.org.

We look forward to meeting the recipients and one guest each at our scholarship awards celebration, as our guests.

The actual scholarship check will be given to the student upon proof of enrollment in college in the Fall.

You may contact me at shay379j@optimum.net or (973)-424-0576 if you have questions or concerns.

Sharon Jones,
Scholarship Chairperson
