On this 2019 Martin Luther King Day, his words remind us of the importance of LIGHT in our troubled world. God is the creator of all LIGHT and His Word remains our source for daily LIGHT! May we continue to share His Holy Word with the millions who remain in darkness! Let your Kingdom come, Lord!

*"Your Word is a Lamp to my Feet and a Light to my Path." Psalm 119:105*

Throughout 2019 we welcome invitations from local churches to share the latest video and to bring inspiring reports of the Lord's work. If you are interested, please contact us! You may preview the video on our web-site!

### Prayers/Praises:

1. Praise for the marriage of Koki and Belay as they begin their journey together as husband and wife. May the Lord bless and keep them with His precious loving care!
2. Thanksgiving for team members who are following up on recent bible distribution visits.
3. Prayers for the Ethiopian leadership — Prime Minister, President and Cabinet
4. Prayers that the LIGHT of God will be spread abroad in Ethiopia through past, present and future bible distribution to remote and troubled areas of Ethiopia.
5. Praise for recent donations from churches and individuals and for a blessed visit in early January to Scottsdale Presbyterian Church where we shared the video.
