ENTRY AGREEMENT

All classes will be judged according to the specifications outlined in the HHSA prize list class descriptions and in accordance with United States Hunter Jumper Association (USHJA) Rules.

Competitors, trainers, horses, and horse owners must be current members of the HHSA in order to qualify for show championship and year-end awards, with the exception of those riders entered in the Short Stirrup / Long Stirrup Division. Riders wishing to accrue USHJA Outreach points must be members of USHJA for their points to accrue.

I have read the HHSA and USHJA rules and the specifications as printed in the Prize List for this Competition and agree to all of its provisions. I understand and agree that by entering this Competition, I am subject to the current HHSA Rulebook and the stated rules of the competition. By entering this competition and signing this entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Longueur and on behalf of myself and my principals, representatives, employees and agents, I agree that I am subject to the Bylaws and Rules of the HHSA, USHJA, and the rules of the Competition. I agree to be bound by the Bylaws and Rules of the USHJA, HHSA, and of this competition. I will accept as final any decision of the Judge, the Show Steward, an adjudicator, an HHSA Board Representative, and/or Hearing Committee on any question arising under any of these Rules, and agree to release and hold harmless the competition, the HHSA, the USHJA their officials, directors and employees for any action taken under the Rules. I represent that I am eligible to enter and/or participate under the Rules, and every horse I am entering is eligible as entered.

HHSA is a USHJA Affiliate Organization. The 2017 Spring Fling Horse Show is a USHJA Outreach Competition Offering USHJA Outreach Classes, which qualifies riders, who are members of USHJA, for Outreach Year-End awards for Zone 11 (Hawaii).

The USHJA Outreach Program is open to both Juniors (17 and under) and Adult Amateurs who possess current USEF/USHJA Amateur certification.

Riders need not be members of USHJA (United States Hunter Jumper Association) to compete in this horse show, but if they are, their points in Outreach classes will accrue, and they will qualify for Zone 11 year-end awards. Outreach USHJA membership is discounted for HHSA members at \$35 annually. USHJA members will receive *In Stride* Magazine plus all the rights and privileges of USHJA membership for that year. For more information, go online to ushja.org and click on *programs* and then click on *outreach*.

To this end, all gaits must be performed with willingness and obvious ease, cadence, balance and smoothness. There is an emphasis on manners and ability to afford a pleasurable ride. At least three riders must compete for the class to be held.

USHJA Outreach Derby 2'6" - 2'9" \$200 Stake: USHJA Outreach Hunter Derby is held over a single-round course of at least 10 fences at 2'6" in height, with two option fences set at 2'9". The course will consist of Hunter Classic and Hunter Handy style lines, turns and jumps. The Judge will use the open numerical scoring system. After the Judge's score is given, one point will be added for each high option fence jumped successfully (no knockdowns or refusals) for a maximum of two additional points added to the Judge's score. This class is limited to Juniors (17 and under) and Adult Amateurs. At least three riders must compete for the class to be held.

HHSA High Derby 2'9" – 3'0" \$200 Stake: This is a two-round format utilizing the open numerical system to score competitors in the Classic Hunter Round (first round) on performance, hunter pace, jumping style, quality and substance, and movement. In addition, the base score in the Handy Hunter round (second round) reflects brilliance of pace and handiness. In each round, after the Judge's base score is given, one point will be added for each high-option fence jumped up to a maximum of two. The point must be added even if there is a refusal, rail down, or a loss of good jumping style at that fence, providing that the horse-and-rider combination does jump the higher height fence option. Obstacles are reminiscent of the hunt field and must offer a variety of appearances, such as natural post and rail, stone wall, white board fence or gate, coop, aiken, hedge, oxer, brush, logs and natural foliage. The Handy Hunter round should simulate riding over hunt country and incorporate options such as tight turns, clever options for jump approaches, hand galloping and trotting a fence. Fences for the HHSA Derby are set at 2'9" with two high-option fences set at 3'0". Horse-and-rider combinations scoring 60% or higher (or at the Judge's discretion) after the first round are eligible to return for the second round. The pair with the highest two-round score is declared the class winner. Ribbons are awarded to eight places. At least three riders must compete for the class to be held.
