

Kinderprep's Kindergarten

Kinderprep's Kindergarten is approved by the Westfield Board of Education. Our Kindergarten program is a full-day program from 9:00 a.m. - 3:00 p.m. Children may come as early as 7:00 a.m. or stay as late as 6:00 p.m. 6:30 extended day available for an additional fee.

The Kindergarten curriculum was created by owners/directors Lara Pallant and Jennifer Kelly. All academic subjects are based on a monthly theme.

Our math program uses the Everyday Math approach. This program compliments our philosophy of creating a "hands on" learning environment.

Our Language Arts program incorporates the following areas: Reading, Writing, Phonics, and Spelling. Through weekly themes the students will be exposed to several different reading genres throughout the school year, which makes for a rich literature experience. Students have the opportunity to enjoy both guided and independent reading. Writing and illustrating is always encouraged. Students will learn all the fundamentals to forming their letters as well as writing simple sentences. Creative writing activities will encourage students to put their thoughts into words or drawings. Kinderprep recently purchased a new reading program which is multi-sensory and caters to different learning styles.

Social Studies incorporates learning about different people, cultures, habitats, and the world we live in. Students also take Spanish once a week, which is part of our foreign language program.

The Science program teaches students to make predictions, experiment, observe and draw their own conclusions through hands on activities. Students will also enjoy several opportunities to make culinary creations within their classroom.

Art is a time to get messy and express yourself! We believe the process is more important than the

product. We want each individual's personality to be reflected in their artwork.

In addition to all the academic subject's children have plenty of time for free play and dramatic play. It is through play that children express themselves freely and learn to socialize with others. We also feel outside play and exercise is equally important for promoting a healthy lifestyle. Kindergartners will be engaged in an organized gym activity twice a week in addition to their daily outside time.

Registration

Registration for kindergarten begins in January, we will accept early registrations. It is a first come first serve basis. Once the class is full, we will not accept any other applications. Class size is limited to ten students.

One month's tuition and a \$75.00 registration fee is required at the time of registration. This deposit and registration fee is non-refundable.

Call for tuition pricing.

We do suggest you come in and see the school. To schedule a tour please call:
(908) 317-6900. Email: Kinderprep95@aol.com. We look forward to hearing from you soon!
