November 2018

November I can't believe it!! Need I say "Thanksgiving"! Is nearing, OH MY!

If you weren't in attendance for our October meeting you missed a great presentation on Sol Smart to be brief, "it's a program that a municipality joins through a process of providing a checklist and on-line application code requirements in order to make the Solar (PV) contactors application process essentially the same throughout the state. Thanks again to Edith, Jerry and Leo! During this presentation we had a fantastic turn out from our membership. We had 45 attendees present. Thank You all for your participation.

Please Note: The SBOC Annual Holiday Luncheon and Business Meeting will be held on Friday December 14, 2018 at Bobak's Signature events in Woodridge. An invitation will be sent out SHORTLY. The proposed Slate of Officers for the 2019 Executive Committee and Board will also be sent to our membership shortly.

The SBOC Board is working at filling the programs for our monthly training meetings. Should any of you have any thoughts for a monthly training session feel free in contacting any of the Board members. Hopefully, you will have a presenter's contact information and are able to forward this information to the SBOC BOARD. With that being said, we the SBOC Board are looking for some volunteers to become Board members in 2019. Volunteering is a great way for members to have their voice heard, recommend programs and activities. Having new people provides fresh new ideas over the years. This is YOUR opportunity to Make a Difference and to be heard. So, why not contact me or any other Board member. I've enjoyed myself greatly being a Board member. Believe me it's FUN and GRATIFYING! The SBOC Board looks forward in hearing from you.

SBOC is back, we are having our next monthly meeting on November 15, 2018. The topic is "Sprinkler Installations and the Code", and if there is time we will add a segment on residential sprinkler systems, and much, much more.
