Gifts in honor: To celebrate the joy of now, CFI offers Gifts to Honor. These gifts are a meaningful way to acknowledge the courage and strength of someone living with mental illnesses or celebrate an important health or survivorship milestone. They can also commemorate a personal milestone—a birthday, wedding anniversary, graduation, or retirement and support Community Friendship, Inc. (CFI) at the same time.

A Gift In Memory can help express the sense of loss you feel when you lose someone. It is also a meaningful way to celebrate the memory of a loved one who cared about Community Friendship, Inc’s mission. Gifts in Memory can build a legacy and provide direct support for CFI.

To make a tribute gift, please complete the attached form and submit it. If you would like for CFI to notify someone of your gift, please be sure to include the reason (i.e. in honor of 50th birthday of Mary Jones), plus the name(s) of and address(es) of those to receive the notification. For more information, please contact the Development Office at 404 875-0381 ext 301.

When you make a tribute gift, CFI will acknowledge your contribution and notify the honoree (or designated individual(s). Please simply provide us with the names and addresses and we will do the rest. The name of the donor and the person being remembered are published in our Annual Report. All donations are tax deductible.
