From the Head Bead

Hello Beaders,

I am going to be blunt and honest. We need members to step up and take positions on the board. Those of us who have been serving board and committee chair positions for the last several years are getting burnt out. If you want this group to continue, now is the time to act. Our August meeting is the annual bead swap, and our board election meeting.

I will be stepping down as president. If some of you volunteer for board positions, I am willing to continue as show chair. But we need new people on the board of directors.

If YOU don't run, the Madison Bead Society may cease to exist. Don't wait for someone else to do this. If you want this group to succeed, YOU must act NOW.

Ingrid Frances Stark, Head Bead

July Meeting: Diakonos

When: July 27, 6:00pm–6:30pm Board Meeting (All are welcome), 6:30pm Program begins

Where: Diakonos Designs, 187 E. Main St. (above Chasers), Stoughton

Phone: 608–873–0210 **Instructor:** Ed and Becky Guzman

Becky and Ed will lead us in making the “Double Double” bracelet. Diakonos will supply tools for everyone to use, but MBS members may bring their own tools. The kit will cost \$28, and Diakonos will offer a discount for any other items MBS members purchase that night.

There may be a few people who’d prefer to make the bracelet without the crystals. Diakonos has a few suggested alternatives and their staff request that those who want to make a substitution might want to arrive earlier than the scheduled meeting to talk to Becky and Ed about what other components will work.

August Meeting: Annual Meeting

When: August 24, 6:00pm–6:30pm Board Meeting (All are welcome), 6:30pm Program begins

Where: Oakwood Village University 6201–6225 Mineral Point Rd, Madison

We will have our Annual Meeting and hold elections. Please plan to participate and volunteer for a position on the board to ensure the longevity of your club. After the elections are done, we will have a Bead Swap, so bring all those beads and stuff you’d like to trade, sell, or give away.
