### Winters on Mount Tam

We are right in the midst of winter up here on the Mountain. Sometimes these windy and rainy times can make one feel a little cut off from the rest of the world. The MWPCA would like to make a few suggestions to help keep folks connected:

**1) Join [Marin County Nixle](#) and [AlertMarin](#)**, two emergency alert systems that send important notices to your cell phone. **2) Join good old [NextDoor](#)**. The Panoramic neighborhood is active and communicative, and not just about lost cats. Think about the last time a tree fell over on Panoramic and knowing about it allowed you to adjust your plans. Last but not least, **3) Get to know your neighbors in a meaningful way**. Do they have any disabilities? Special skills that would be helpful in an emergency? Live alone? We live in a great community with wonderful people. Have a cuppa!

### Membership Dues & Maintenance Donations

In the next couple weeks, members and neighbors will be receiving annual dues notifications. Your membership dues and donations help to support our unique neighborhood association on top of beautiful Mount Tamalpais as well as access to our social events and discounts on Clubhouse rentals. Please send a check in the enclosed envelope, or use the electronic payment option [located here](#). This year we are asking that members consider making a donation that goes towards the maintenance of the Clubhouse and grounds. Each year it costs a considerable amount for repairs, utilities, painting, tree control and grounds-keeping. Your tax deductible donation will help us to keep our wonderful location maintained.

If you are not a member, [it's easy to join - here](#). We take PayPal!

## **Clubhouse Rentals**

After 20 years of handling the successful rentals program at the Clubhouse, Lynn Hindley will be 'retiring' from these duties and thankfully will continue to make sure the Clubhouse stays in perfect shape. Please contact [rentals@mounttam.org](mailto:rentals@mounttam.org) if you are interested in helping out.

## **Kids Christmas Party Dirty Cello Concert**

Santa arrived via the Throckmorton Fire station truck with a Ho Ho Ho and handed out a lot of presents to children on Sunday, December 23rd. Kids were amazed that Santa had time to make it up the Mountain right before he had to jump on his sleigh.

On Sunday, January 6th, three hard pounding inches of rain could not keep nearly 75 neighbors from enjoying Dirty Cello, with their high energy spin on Bluegrass and Jazz. The event was so popular, they'll be returning in September!
