Looking directly north adjacent to the Chapultepec Castle, the Star of Satan envelopes the All-Seeing Eye of Lucifer and its core. The Pentagram is skewed but reflects the typical capital city layout of specific corners that correspond to specific coordinates with monuments and/or important places or building. The Pentagram is associated with Lucifer who is Satan, one in the same despite argument to the contrary. The Masons all over the world venerate this Blazing Star and is used in witchcraft and sorcery. It is used as a portal or door to the spiritual. The Pentagram is ancient, before Aztec history as it is the same rendition of the original Babylonian mystery school religion set up by Nimrod soon after the Flood of Noah. These crafts and dark magic were taught by Fallen Angels before the Flood. See Book of Enoch. The Masons link themselves with such an association and their quest is to finish the 'Great Work' of ushering the New Age as it was pre-Flood in Atlantis. They seek to build the ultimate 'Lodge' and enthrone Lucifer as the true 'god' that is to be worshipped as he has aided in giving 'fire' and knowledge of immortality and god-
