# Hebrew School Music Curriculum

Made by student Cantor Iris Karlin

## Kindergarten & First Grade

This Curriculum is built for 30 days of school teaching, not including the Holiday services that would be in a performance type.

The age group is Kindergarten and first grade, and this curriculum will expose them moderately to Hebrew words as well as Jewish concepts, following the year round themes and holidays. Every session will include new songs (usually 2) marked as T=teaching, and repeated song marked as R=Repeating (Usually 2+Opening song). I have remarked in notes where I was told by the Rabbi that a song is not new to the pupils.
