ANTI- INFLATION FRIDAYS

That's right! Come visit Island Hardware on Fridays! It's your chance to help turn back the clock (a little). This year's inflation rate is about 8 1/2%. Shop with us on any Friday in November, pay cash or check (no plastic or store charges please), and receive an 8 1/2% savings on all retail sales items except Passing Gas. Sorry, our mark up is just too skinny on the petrol!
SEE YOU FRIDAY!

WASHINGTON HAS THE #1

A city in Washington State has won the award for having the highest minimum wage in the nation. The first person who can tell us the name of the town will get an hours wage in cash (NO DEDUCTIONS!) equal to the winning towns minimum wage.

WHAT WE ARE THANKFUL FOR!

It's that time when we all remember and give thanks for the blessings we have. Island Hardware has so much to be thankful for! We are thankful for our employees, suppliers, and of course, our amazing customers. Without any of these, Island Hardware would not be what it is today!

THANK YOU!

WE WANT TO HEAR FROM YOU!

For years now we have used The Hardware Herald to bring some of our sales and store news to you. We would love to hear from YOU! Do you have some Island news or an event you would like us to share in your Hardware Herald?

How about something you would like us to stock in the store? Maybe you know a way Island Hardware can help our Island community. Let us know!
