

Oakes Ambulance EMS Education

EMT Course to Begin on September 7th

The Oakes Ambulance is conducting an Emergency Medical Technician (EMT) course that will begin at 7:30pm on Thursday, September 7th.

The course will meet one weeknight each week until April 24th, with local testing to conclude this course.

The course is a mix of online (Zoom) and hands-on skill sessions.

Instructors include local Paramedics and EMT's.

The Oakes Volunteer Ambulance Service is actively recruiting students in addition to new crew members.

Call us today or visit our website for a course registration form!
