Bosque Farms Rodeo Queen Contest Sponsorship

Each queen/princess/sweetheart contestant is required to bring in a minimum of $100 in sponsorship that can come from local businesses, friends or family.

The goal is to bring in community support to the contest and help pay for the costs of the contest.

Things to tell each potential sponsor:

- If I win this contest and become queen, princess, or sweetheart I will be representing the Bosque Farms Rodeo Association, as well as the surrounding community at rodeos, parades, and community events.
- As a sponsor they will have their name announced and support recognized at the BFRA Fair.
- They also have the opportunity to have all of the queen contestants make an appearance at their business prior to the contest.
- Sponsors may make a financial donation or a product donation such as awards or gifts for every contestant as long as it is approved by the Queen Coordinator.

Remember it is good to show up in full western attire and present yourself as though you are in the contest when approaching local businesses.

Please return this form along with any donations by the date of the pageant.
