

RT10

MULTI-SURFACE SANITIZER
PROFESSIONAL

Product Description:

RT10 is a concentrated sanitizing liquid designed to accelerate the germ-killing power of alcohol, without the use of harsh chemicals. Our fragrance-free formulation is suitable for use in any kind of environment and areas, and even on food contact surfaces where reliable hygiene is required.

RT10 has a multi-surface formulation to use for everyday disinfecting and cleaning of settings. Use on privacy curtains, tables, upholstered furniture, and food contact areas, like over-bed tables, trays and break rooms.

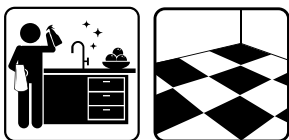

Typical Uses

Washing surfaces using spray and wipe, sponge, mop & bucket, or fringe. No rinsing required.

How to use:

Dilute 30m of **RT10** for every 1 Liter of water.

Spray the diluted solution on area to sanitize, leave for 20-30 seconds and wipe.

Available Packaging:

4x5 liters
6x1000 ml (RTU)

Refer to SDS before
using the product.
