In Memory of Nancy Perrell

Nancy Perrell's passing is the closing of a 50-year legacy in the dog world. She and her husband, Dick, became members of local dog clubs and entered into the dog show world in 1968 with their first Great Dane, Hildegaard.

It did not take long for the fun of showing dogs to take a firm hold into becoming a large investment with the "hobby". Breeding quality dogs while maintaining high standards by careful attention to pedigrees became a deep passion.

Nancy and Dick focused only on Great Danes until the 1970's when they started to branch out. First, was a brief stint with English Cockers. Next, breeding and showing Whippets. By the late 80's, longhair dachshunds became their main breed and passion along with Great Danes. With Dick's passing in 2000, Nancy continued to enjoy and educate the fancy with their longhair dachshunds.

Both Nancy and Dick were incredible involved with dog clubs, not only as members, but also serving on various board positions as well as being AKC delegates and judges of various breeds.

Their knowledge, time, commitment and welcoming acceptance to new members are greatly missed.

May they rest in peace now, being together again.
