

The cover features a geometric design with three main triangular sections. The top-left section is yellow with scattered small triangles in pink, purple, and green. The bottom-left section is pink with scattered small triangles in yellow, green, and purple. The right section is a vertical gradient from orange to blue. In the top-right corner of the gradient section, there are two white balloons with the 'FUN CLUB' logo. The 'FUN CLUB' logo itself is centered in the white triangular area, with 'FUN' in a multi-colored block font and 'CLUB' in a solid green block font.

A white ceramic mug is centered in the image, tilted slightly to the right. It features a blue, handwritten-style text message. The background is a solid light pink color, densely scattered with small, three-dimensional heart-shaped confetti in various shades of pink and red. The entire scene is framed by a thin, multi-colored border at the top and bottom.
