In order to prepare for the Sacrament, the parish priest or Baptismal preparation team would like to meet with the parents and godparents before the Baptism for a preparation session. At least **one** godparent must be **Roman Catholic and confirmed**. Parents should, out of respect for their child, choose god parents who practice their faith. Baptism is an important Sacrament for your child and not just a formality. Parents and godparents must be present for the Baptism. All family members and friends are welcome and urged to attend. Baptisms are usually held at a weekend Mass by appointment only. Please call the parish priest @ 834-2919.

This form, the child's birth certificate and a Baptism Stipend of \$25.00 must be presented to the parish office before the date of baptism preparation.
