

continued from previous page

As we celebrate the beginning of Springmont's next 50 years, please take a moment to consider the investment made by those who came before us during the last 50 years. Without the generosity of our predecessors, our children would not enjoy the beautiful campus, the Landschool and unique learning opportunities that Springmont offers.

Please join us in making a meaningful contribution that will have an impact on current students and those for decades to come.

*Chris and Steve DeVinney,
Parents of Lisle and Molly*

A Message from our Springmont Fund Parent Chairs

As active members of the Springmont community for a decade, we are honored to introduce the new name for the school's annual effort, the Springmont Fund. Over the years, we have seen our children blossom with the first-rate education made possible by the school's dedicated Faculty and Staff. Also, our children have directly benefited from many visible projects funded by past annual funds, such as the Pavilion, turf field, solar power awnings and more.

DONATE

Springmont Fund

The Springmont Fund is critical to Springmont's ability to provide the children we serve with the dynamic and engaging learning environment that makes our school so special. One hundred percent of the funds raised through this effort are invested in making campus improvements that honor the mission and core values of Springmont.

The generous donations during the 2013-2014 school year funded the new, beautiful field where students exercise, play and do team-building activities. Springmont remains committed to furthering outdoor improvements as a means of enhancing outdoor learning. Therefore, funds contributed this year will be used for that purpose.

Springmont believes that hands on discovery, unstructured play and learning a respect for the environment are important components of the Springmont experience. By providing a campus replete with engaging outdoor space, we aim to produce passionate and motivated students, happy and healthy children and eco-conscious citizens.

Donors at the Great Lesson Society (\$1,500) level and above will be treated to a special gathering of celebration and thanks in the spring.

Make your pledge today!

DEFER

Georgia Tax Credit Scholarship Program

Through the Georgia Tax Credit Scholarship Program, you can choose to redirect a portion of your Georgia state income tax dollars to Springmont to support financial aid for deserving students.

So how does the program work? The State of Georgia sets aside \$58 million annually in tax credits for individuals and corporations that donate funds to a Student Scholarship Organization (SSO). Through this program, Georgia taxpayers can redirect up to \$1,000 if filing individually or up to \$2,500 if filing jointly to an independent school of their choosing in Georgia. Georgia C-Corporations can contribute up to 75% of their corporate tax liability. Participants receive a dollar-for-dollar credit on their state income taxes.

The redirected funds are sent to Springmont to provide financial assistance to qualified incoming applicants to the school.

Learn more on the Springmont website or register at www.apogeebase.com/donate. Act now as funds run out quickly!

“Passion does not arrive on a videotape or a CD, passion is personal, passion is lifted from the muddy hands of the young; it travels along grass stained sleeves to the heart....”

Richard Louv,
American author and journalist

DRESS-UP

Spring Auction

Each year we gather together in the spring and host a “party with a purpose” - to raise money for our wonderful school and celebrate our school culture and community! We encourage every family to get involved...donate, sponsor and attend.

It's the most fun way to support your children's school!

SAVE THE DATE! April 18, 2015

Mark your calendars now!
