* 2-Man Best Ball - a golf format for teams comprised of two golfers who play their own golf balls throughout and the lower score between them on each hole counts as the team score. Scoring is kept by comparing the holes won by each player. If each has won the same number of holes, the match is said to be "all square". If you have won 4 holes and your opponent has won 3, you are said to be "1-up" while your foe is "1-down."

** Handicap Allowance - In four ball match play, "The course Handicap of all four players is reduced by the course handicap of the player with the lowest handicap, who then plays from scratch. Each of the three other players is allowed 100 percent of the difference." This is reflected in the handicaps listed above.

* Handicap Allowance - In singles competition, "The higher-handicapped player in each match-up receives the full difference in Course Handicap between the two players competing; the lower-handicapped player plays from scratch (0)." Example: Player (A) with a Course Handicap of 17 would play to a 4 handicap against Player (B) with a Course Handicap of 13, who would play to a Zero. This is reflected in the handicaps listed above.
