Consignor Provided Information on Registered/Registerable Yearling Ewes Lots:

Lot	Ranch Name	Name	Head	Type	Breed
1-1	Chapman Rambouillet	Beau Chapman	5	Registered	Rambouillet
Watch for information on our Facebook page "Chapman Rambouillet and Hampshires" or give us a call at (605)430-5811 or (605)244-7166					
2-1	Flying O Sheep	Tate Ollila	5	Registered	Rambouillet
Flying O Sheep – Tate Ollila – Newell, SD will be offering 5 premium registered ewes that provide the leadership in genetics add to a registered flock and provide a foundation for a 4H or FFA member. These are evenly fine woolled, open faced with a moderate modern profile. Stop by and visit with Tate about how the Flying O ewes will fit your operation.					
3-1	Erk Brothers	Paul Erk	5	Registered	Rambouillet
Erk Bros premiering 5 Registered Rambouillet Yearling Ewes. Open faced sheep, flock microns 20.6 with a 62% yield. Specific information available day of sale to include pedigree and NSIP data.					
4-1	Kopren Targhee	Wade Kopren	5	Registered	Targhee
We are bringing 5 head out of our keeper pen because we didn't know about the SDSGA Premium Ewe Sale until after we sorted down. Our loss is definitely your gain with these ewes! Sires and dams are from Green, Sieben, Dallas and Beastrom bloodlines. NSIP records and microns from shearing available on sale day. Wool from yearling ewes was put into the Fishhook Sock Company and will have socks made from them in the next few months. US Range are as follows: 725 USA Range 107.8, 743 USA Range 107.2, 755 USA Range 109.6, 759 USA Range 109.1, 713 USA Range 104.3					
5-1		Bob Innes	5	Registered	Targhee
Innes Targhees are bringing 5 registered Targhee yearling ewes from their longstanding flock. Bob has provided seedstock to many Targhee flocks across the West. Fine wool, moderate frame, and longevity are traits Innes Targhees passes on.					
6-1	Beastrom Family	Jon Beastrom	5	Registered	Targhee (Oct. Born)
Beastrom Family Targhee bring 5 registered Targhee yearling ewes who's flock mate is the 2018 National Champion Ewe. Beastrom's sheep are fast growing, thick, with heavy dense fleeces. They will add profitably to your purebred or commercial operation.					
7-1	Peterson Sheep Company	Doug & Lindi Peterson	5	Registerable	Hampshire
This group of five is from our replacement yearlings picked as the best ewe lambs last year. Bloodlines are all nationally recognized.					
8-1	Cousins Suffolks	Lindi Peterson	5	Registerable	Suffolk
With only 20 ewes in our flock we simply had too many yearling ewes. We are only keeping two so the rest have to go.					

Consignor Provided Information on Commercial Yearling Ewes Lots:

Lot	Ranch Name	Name	Head	Type	Breed
9-1		Jim Van Dyke	10	Comm.	Poly/Dorset (Dec. Born)
All are multiple births and come from an accelerated lambing flock.					
1-2	Chapman Rambouillet	Beau Chapman	10	Comm.	Rambouillet

Beastrom Family Targhee provided Targhee genetics across the region. Beastrom's sheep are fast growing, thick, with heavy dense fleeces. They will add profitably to your commercial operation.					
14-1-5	Blue Bell Sheep	Henry Hollenbeck	5 lots of 20	Comm.	Targhee/Ramb
This is a set of hand-picked yearling ewes sorted from 1400hd. Most of these ewes were born May 2017. We wintered them in Montana and just came off of spurge in eastern MT. They have been herded with horses and dogs. As lambs, shorn in May, they had a micron of 17.6 and yielded 58.6%. Help yourselves to a set of commercial yearling ewes with wool that is some of the best, which will run in about any environment you choose.
