

Goat Peak Ranch Updates

gproaboard@gmail.com - <http://www.gprhoa.com>

Firework Fine Amendment

Due to high fire danger, fireworks are banned within Goat Peak Ranch (except 12/31). Due to the severity and possible consequences that come with a resident or guest not adhering to this rule, the schedule of fines and fees has been updated as of June 6, 2024. Any resident/guest that sets off any fireworks outside of 12/31 will be subject to an initial \$500 fee once it has been confirmed and documented by a member of the GPR board, a \$1000 fee will be incurred on any subsequent occurrence. The heightened fine aims to deter individuals from engaging in activities that pose risks to both property and public safety. The board hopes that everyone has a fun & safe fourth of July.

Safe Burning

Ensuring outdoor burning safety in our neighborhood is crucial to prevent accidents and protect property. To ensure burning safety Kittitas County Fire District 7 has listed regulations to guide fire awareness:

- Natural Vegetation only no larger than 10 ft X 10 ft pile, anything larger requires a permit from the DNR (509-575-2490)
- Must be on mineral ground with ring
- Must have a water source on hand and fire extinguishing tools.
- Must be at least 15 feet from trees, brush and property lines
- Must be at least 15 feet from trees, brush and property lines
- If larger than a campfire: Must be at least 50 ft from any structures
- Must ALWAYS be attended
- Do not burn if winds exceed 15 MPH
- Call Department of Ecology before burning to check on air quality (800-406-5322)

FIRE TRAILER

The HOA owns a 500-gallon water trailer available to use as a precaution while burning. For further information please view our website for instructions on use, scheduling a date and advising the board of use. Please note, in the case of any fire emergency call 9-1-1.

POWER OUTAGES

When necessary, report power outages as soon as possible at PSE.com. Generally, the more people that report and are impacted the faster response (Pse.com or 888-225-5773).
