ICIIBMS 2018

October 21-24, 2018, Bangkok, Thailand

Intelligent Informatics for Health in the Next Decade

The International Conference on Intelligent Informatics and Biomedical Sciences (ICIIBMS) 2015 and 2017 attracted more than 150 participants from 18 countries... ICIIBMS creates opportunities for top technology leaders, scholars, engineers, scientists, industry leaders, as well as graduate students to share and discuss ideas. We invite you to submit original technical papers to this conference.

ICIIBMS 2018 will take place in Bangkok, one of the most vibrant cities in the world. Situated on the bank of Chao-Praya river, Bangkok is not only the capital of Thailand, but is also a culturally-rich city where people can enjoy street-food around the clock. Do not miss this opportunity to visit this amazing city for ICIIBMS 2018!

ICIIBMS 2018 Topics include, but are not limited to, the following:

- Medical Imaging
- Image Segmentation, Classification and Fusion
- Image Reconstruction and Image Quality
- Microscopy and Histology Image Analysis
- Computer-Aided Diagnosis
- Visualization in Biomedical Imaging
- Machine Learning and Artificial Intelligence
- Applications of Big Data in Imaging
- Computational Anatomy and Physiology

- Body Area Network
- Sensors, Technology and Network
- Telediagnosis and Telemedicine
- Medical Robotics
- Interventional Software and User Interfaces
- Surgical Visualization and Augmented Reality
- Bioinformatics and Neuroscience
- Population Imaging and Imaging Genetics
- Integration of Imaging with Non-Imaging Biomarkers

Program Suggestions:

Special sessions, workshops, forums, or any related matters can be proposed by sending a proposal to the Special Session Chair.

Publications:

All papers published in the ICIIBMS Conference Proceedings will be submitted to IEEE for inclusion into IEEE Xplore. Selected papers will be considered for publication in the Journal of Applied Science and Computer Science (ASCSPub, http://www.ascspublications.org), JBINS, JICE, and JACAR. All submissions will be peer-reviewed by experts in each topic.
