Hello Members,

Well, another year has passed for the PPPA. We had a wonderful National Specialty with the highest entries of PPPequenos at a National in the history of our club.

The Officers and Board of your club are working hard to make the club even better. Our webmaster will soon be transferring all information to a new site, we are working to create a viable Versatility Title for the breed, the Health and Research committee is working to determine the best place to bank our breeds blood in case we find other PPP affected with PRA which would justify research to find a marker. The Secretary has sent out a survey to determine the unknown "talents" of our members who are willing to participate in different aspects of making PPPA a better club. Our club is merely 5 years old and we have much to do to improve it but please know we are working on it.

Our next National Specialty will be held in Atlanta, GA. It is being chaired by Karen Conrey and co-chaired by Rosé Hidlay. They are already working on this event and I am sure they will keep you current with what their plans are for this to be a great event. Carol Sowders is the trophy chair so expect to hear from her in the not too distant future.

I want to take the time to congratulate all members who are showing their dogs at AKC events. The leaders of the AKC have voiced many compliments regarding our club.

It has been a great year for our club and I am looking forward to next year. Be sure to remember to renew your dues by January 15, 2015.
