

HUDSON VALLEY BRIDGE BUILDERS, INC.

2ND ANNUAL GALA APRIL 7, 2019 4-7 PM

At the **TACONIC RETREAT CENTER** 64 White Drive Milan, NY 12571

COME CELEBRATE OUR MISSION CAMP!

Since 2010, HVBB has challenged students and adults to get out of their comfort zones. Campers have discovered that the rewards of making a difference in someone else's life outweigh the risks of **doing nothing at all**. Bridge Builders Mission Camp is a place where relationships are formed, not only with their peers, but also with the people within their own community. Come meet the students and adults who've helped establish this amazing camp experience and listen to their stories of **faith, hope and love**.

Thank you to Taconic Retreat Center for helping sponsor this event.
