

**You Could Paint a Few Fairy Forms by Friday** by Robin Gile

My old Friend, Faustious  
The Fastidious and Fleet  
(For one So Fat)  
Would sit for you,  
I am sure...

And if he tried to  
Charm you,  
Not, of Course,  
To harm you...  
And from here today  
To this Friday  
Took a few weeks,  
Or Seasons, or More

Who could blame him?

And you do look so  
Very Well in Green.....
