# Daniel's Vision of Four Beasts

## Daniel 7:1-14

- Once again the interpretation is provided in the scripture:

## Daniel 7:15-18

**15** "I, Daniel, was grieved in my spirit within my body, and the visions of my head troubled me. **16** I came near to one of those who stood by, and asked him the truth of all this. So he told me and made known to me the interpretation of these things: **17** 'Those great beasts, which are four, are four kings which arise out of the earth. **18** But the saints of the Most High shall receive the kingdom, and possess the kingdom forever, even forever and ever.'

- The four beast are four kings (hence, also four kingdoms) which arise. Note it doesn't say "have arisen", but "which arise", meaning they **shall** (future tense) arise.
- Though these kings shall arise, be not dismayed because the end of the matter is that the kingdom shall be given to the saints (holy ones) of the Most High!

## Daniel 7:19-20

**19** "Then I wished to know the truth about the fourth beast, which was different from all the others, exceedingly dreadful, with its teeth of iron and its nails of bronze, which devoured, broke in pieces, and trampled the residue with its feet; **20** and the ten horns that were on its head, and the other horn which came up, before which three fell, namely, that horn which had eyes and a mouth which spoke pompous words, whose appearance was greater than his fellows.

- Iron teeth is military brute force (like Rome) that devours the enemies of the fourth kingdom.
- The nails of bronze indicate military speed (like Greece) wherewith enemies are defeated almost instantaneously.
  - Having such military strength and speed is likely the result of modern warfare technologies.
- The fourth kingdom is also portrayed having ten horns. These are the ten kings who confederate to form the fourth beast kingdom. (Dan. 7:24)

- After the ten horns appear, another little horn appears who subdues (conquers) three of the ten horns. He speaks blasphemies and pompous (arrogant) words against the God of heaven. His appearance is larger (greater/more stout) than the his fellows.

### Daniel 7:21-22

**21** "I was watching; and the same horn was making war against the saints, and prevailing against them, **22** until the Ancient of Days came, and a judgment was made in favor of the saints of the Most High, and the time came for the saints to possess the kingdom.

- Vs. 21 says that the little horn (anti-Christ) makes war against the saints (the holy ones/those who have the Holy Spirit) and **he prevails against the saints** for a period of time (the great tribulation).
- That period of time (the great tribulation) continues until the judgement is set and the Most High declares the time for the saints to possess the kingdom (Day of Atonement).

## Daniel 7:23

**23** Thus he said, The fourth beast shall be the fourth kingdom upon earth, which shall be diverse from all kingdoms, and shall devour the whole earth, and shall tread it down, and break it in pieces.

- The fourth beast kingdom will be different (diverse) from all other kingdoms and will have world dominance.

## Daniel 7:24

**24** And the ten horns out of this kingdom are ten kings that shall arise: and another shall rise after them; and he shall be diverse from the first, and he shall subdue three kings.

- Once again, this kingdom is composed of ten kings (kingdoms) united against Israel. Another ruler will arise in this confederacy after it is formed, he will be different than the others and conquer three of the pre-existing rulers.

## Daniel 7:25

**25** And he shall speak great words against the most High, and shall wear out the saints of the most High, and think to change times and laws: and they shall be given into his hand until a time and times and the dividing of time.

- The little horn (man of sin/anti-Christ) will speak blasphemies and arrogant things against the Most High.
- He will wear out the saints (holy ones). This speaks of his victory over the saints as he persecutes (tribulates) them for a divinely determined amount of time.
- Whenever Islam takes over a land they generally install the Islamic calendar and sharia law, thusly changing both times and laws.
- The saints are given into the anti-Christ's hand until a time (1 year), times (2 years), and the dividing of time (half year). 3 ½ years of great tribulation. <sup>6</sup>

## Daniel 7:26

**26** But the judgment shall sit, and they shall take away his dominion, to consume and to destroy it unto the end.

- The judgment (court/divine council) shall sit on judgment day, the Day of Atonement, when Christ and those who are His shall return to take away the beast's dominion, consume and destroy it forever.

## Revelation 20:4-6

4 And I saw thrones, and they sat on them, and judgment was committed to them. Then I saw the souls of those who had been beheaded for their witness to Jesus and for the word of God, who had not worshiped the beast or his image, and had not received his mark on their foreheads or on their hands. And they lived and reigned with Christ for a thousand years. 5 But the rest of the dead did not live again until the thousand years were finished. This is the first resurrection. 6 Blessed and holy is he who has part in the first resurrection. Over such the second death has no power, but they shall be priests of God and of Christ, and shall reign with Him a thousand years.

## Daniel 7:27

**27** Then the kingdom and dominion, and the greatness of the kingdoms under the whole heaven, shall be given to the people, the saints of the Most High. His kingdom is an everlasting kingdom, and all dominions shall serve and obey Him.'

- The Kingdom is delivered to the saints who live and reign with Christ. The rule of the saints is the extension of the rule of Christ who then is physically present on earth and ruling from Jerusalem as the King of kings.

## 2 Timothy 2:11-12

**11** This is a faithful saying: for if we died with Him, we shall also live with Him. **12** If we endure, we shall also reign with Him. If we deny Him, He also will deny us.
