

FIRST CHURCH OF CHRIST, SCIENTIST

San Juan Capistrano

Founding Purpose

Our purpose is to promote unconditional Love, spiritual growth and healing based on the Bible and the writings of Mary Baker Eddy.

*The way leads upward and its goal draws nearer, thought soars enraptured, fetterless and free;
The vision infinite to me grows clearer, I touch the fringes of eternity.*

Hymn 64

Our June Tithing Recipient:

The Boys & Girls Club *of Capistrano Valley*

WHEN SCHOOL'S OUT, CLUBS ARE IN

“A positive place for kids and teens”, the Boys and Girls Clubs of Capistrano Valley offer after-school and summer programs in academic success and healthy lifestyles while building good character and leadership skills for the youth of our community. With three busy facilities in south Orange County, in a caring and nurturing environment, their programs are designed to instill a sense of competence, usefulness and belonging.

A highly skilled and dedicated staff provides programs and individual support designed to give all children the opportunity to reach their full potential. Club programs are available in the areas of education, health, the environment, the arts, careers, plus drug, alcohol and pregnancy prevention, gang prevention, athletics and leadership development. For the increasing number of children who have no adult supervision in their homes during the workday, the Club provides a safe place to learn, to play and to grow into happy, healthy, contributing community members.

Your prayers are welcome...

- ❖ In support of their goal that families in the community, who need quality care for their children during the day, will discover the Boys and Girls Club where no child is ever turned away.
- ❖ In support of a major building renovation and upgrade needed at the Capistrano facility.
- ❖ In meeting a current need to replace and upgrade computers and supplies in order to offer high quality computer training
- ❖ In support of their goal to replace vehicles that transport children to and from recreational, sports and educational activities.

Visit www.bgccapo.com to see an inspiring video about what the Club experience means to children---in their own words.

Calling all Readers! (July through December)

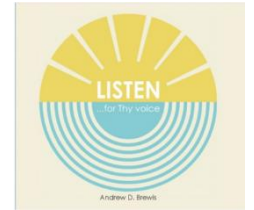

A Reader Sign-Up sheet is attached and has also been posted on door of the Admin office covering July through December. Let's fill July and August by the end of this month! As a reminder, readers need only be members of The Mother Church, not necessarily members of this branch church. Those off site are welcome to email the Admin their preferences of Wednesday dates coordinating with a local host in the room.

From the Reading Room

Andrew Brewis' NEW CD *Listen... for Thy Voice* features original settings of treasured messages such as The Lord's Prayer, and poems, many from the Christian Science hymnal, such as "Father, We Thy Loving Children". Andrew, known for being part of the Newsong Group, is the pianist and singer and is joined on several tracks by a bass. His music displays a fresh, contemporary perspective." Stop by for this, or any other inspiring CD's. We look forward to serving you!

Our Reading Room – In House & Online

Tell your friends about the peace and spiritual uplift waiting for them in our Reading Room, bookstore and library. The study resources are filled with assurances of God's great and unchanging love and are designed to support practical demonstrations of Christ healing as explained in the Christian Science textbook, Science and Health, with Key to the Scriptures, by Mary Baker Eddy.

Our Reading Room is open to the public on Tuesdays from 10:00 a.m. to 1:00 p.m., Thursdays from 1:00 p.m. to 4:00 p.m. and after Wednesday and Sunday services and also by appointment.

Our Teleconference Reading Room is open on Wednesday afternoons from 1 to 3 p.m. and on Monday, Friday and Saturdays from 12 noon to 1 p.m. To reach the Teleconference Reading Room please call 805-309-2350 and enter access code 12111#. A librarian is on line to help you find articles on the computer, answer questions and help you purchase items.

Serving in the Reading Room - a blessing to yourself and to others

Many people are turning to God for answers to challenging problems whether health related or with regards to financial, emotional, or relationship issues. Won't you help them learn about Christian Science by serving in the Reading Room a few hours a month? There is a need for people to serve. To sign up, please see Diana Colarossi or a Reading Room attendant for more information.

Donations to help the church!

The church purchases supplies at Staples. When we bring in 20 used printer cartridges per month for recycling, we receive \$2 per cartridge that we can use to buy other supplies. If you'd like to help, drop off your used print cartridges to the Admin office. Thank you!

Reader for Wednesday June 19th

There is an immediate opening for a reader on Wednesday, June 19th. If you are a member of The Mother Church and are interested, please email our administrator at: [**admin@csinsanjuancapistrano.com**](mailto:admin@csinsanjuancapistrano.com)

Teleconference Host Team

The telephone is our open door to the world! We need Phone Hosts (especially in June) to greet callers and monitor the muting/unmuting for Wednesdays and Sundays. Being a Phone Host is a great way for off-site people to serve our church. You don't have to be a member to do this and training is available. Please contact Sharon Lignier at: [**ligniers@aol.com**](mailto:ligniers@aol.com)

ZOOM.....!

ZOOM training update:

We will be having another group testing of Zoom, the video link to our meetings, soon. We'd like as many people as possible to participate to test Zoom's capacity, so we may schedule it immediately after church so the teleconference callers can all phone in to the Zoom phone number at the same time. Stay tuned for the announcement about that date.

We are considering moving to zoom so that our internet callers can give testimonies, and to simplify our system to bring together all telephone and internet callers in one place. You will still be able to call in on your phone, though we would be using a different phone number in the future.

Also, if you would like some coaching on using Zoom (either on telephone, laptop, iPad, or smart phone), the Zoom website (zoom.us) has a lot of good information and video tutorials to help you. Check out these links:

You could ask for help from other members familiar with it: Sharon Lignier (laptop only), Shana Johnson, Tien Langlois, and Alan Hess have offered to help you.
