To contend for the Thouron Trophy a boat must compete in five of the six Cannon Series races and three of the four Additional Races. If any of the races in a group are cancelled, all races run in that group will be included in the trophy scoring.

Because Corbeau missed the Royal Savage, making that their ‘throwout’ in the Cannon/Goose Series, to keep the overall scoring points of the other three boats comparable in this interim summary a throwout was designated for them as well.
